Welcome to Michigan Ross!

The Executive MBA (EMBA) is a 21-month program, with cohorts meeting in Ann Arbor and Los Angeles. Students attend five consecutive terms (Fall, Winter, Combined Spring/Summer, Fall and Winter) and complete 47.5 credit hours to earn their degree.

The Ross Financial Aid Office is a satellite office of the University of Michigan Central Financial Aid Office. Our job is to work directly with Ross graduate students, assisting with all aspects of financial aid, from initial application to entering loan repayment.

**Spring/Summer Tuition**

EMBA students who wish to borrow federal loans for the Spring/Summer term must complete the Spring/Summer Request for Funds (RFF) Application. The Spring/Summer 2016 Request for Funds Application will be posted mid-February 2016.

**Bills, Payments, Payment Plan, Credits and Refunds (including Enrollment Deposit)**

Students receive an e-bill from the University of Michigan Office of Student Financial Operations approximately two weeks prior to the tuition due date. Find information on paying bills, payment plans, late charges, and more on the Student Financial Services website noted below.

**Credits and Refunds (Including Enrollment Deposit)**

If payments to your student account (financial aid and/or other payments) exceed the charges due, you may be eligible to receive a refund. Most refunds automatically process. However, some financial aid and cash payments in excess of student account charges (including electronic payments and budget plan payments) will not automatically refund—they become account credit.

If your bill is paid in full and excess financial aid remains on the account as a credit, contact Ross Financial Aid to determine if the credit can be refunded.

If your bill is paid in full and cash payments remain on the account as a credit, you may leave the credit on the account to apply toward future charges, or you may contact Student Financial Services to request the credit be sent to you as a refund.

**Direct Deposit**

We recommend all students set up direct deposit via Wolverine Access. Without direct deposit, refunds will be mailed to your current address in Wolverine Access. Be sure your current address is updated. To set up direct deposit, visit Wolverine Access and under Student Business select the Direct Deposit link. It will remain in effect until you cancel it.

**Corporate Sponsorships**

If your company will pay the University of Michigan directly, contact Sandy Taylor at Student Financial Services for assistance: sandyt@umich.edu or (734) 647-0062.
If your company will reimburse you after the term ends, check out our Ross short-term loan option:

http://www2.bus.umich.edu/MyiMpact/financial-aid/loans/short-term

**Financial Aid Disbursements**

Financial aid funds disburse approximately 10 days prior to the first day of the term. Financial aid pays tuition and fees first. If you have financial aid funds that exceed the charges on your student account at the time of disbursement, you will receive a refund, which may be used to pay other educationally related expenses. (Note that if subsequent charges are made to your account, you are responsible for paying them.)

Your refund will be issued in the form of either a **direct deposit into your bank account** or a **check mailed to your current local address per Wolverine Access**. We recommend that students set up direct deposit in Wolverine Access. To set up direct deposit, visit Wolverine Access and under Student Business select the Direct Deposit link. It will remain in effect until you cancel it.

**Financial Aid Overview**

All federal budgets include the **estimated** costs for tuition and fees, books, and living expenses. Your budget total is your **estimated** Cost of Attendance (COA). Below is the current in-state/out-of-state **estimated** COA budget for Fall 2015 and Winter 2016. **The 2015-16 tuition rates were approved by the University of Michigan Board of Regents in June 2015. The 2016-17 tuition rates will be approved by the Regents in June 2016. Please note that other budget costs may also be adjusted.**

* **EMBA students pay the same tuition amount (based on their cohort group) each of their five terms of enrollment. The EMBA tuition includes tuition, residency cost, course materials plus other built-in program costs.**

Your financial aid is awarded based on your budget. **The University of Michigan bills all students for tuition and registration fees. Registration fees are paid by the EMBA program.** You can borrow to cover tuition, or if you wish, you can borrow up to the COA to cover the other budget expenses.

**International Students**

Many countries provide loans or scholarships specific to their citizens. Michigan Ross admitted candidates and current students can review a list of funding options for international students at:

http://www2.bus.umich.edu/MyiMpact/financial-aid/international
U.S. Citizens and Permanent Residents

You will complete two FAFSAs during your program:

*University of Michigan Title IV Code: 002325*

With a completed FAFSA, you will receive a $10,250 unsubsidized loan each term you are enrolled. The balance of the COA can be borrowed through a Grad PLUS or a private loan. NOTE: Federal loans have processing fees, and private loans may have processing fees. The principal amount you borrow is applied toward your COA. For example, the $10,250 unsubsidized loan has a 1% fee. The $10,250 is the amount we calculate as borrowing against the COA. The actual amount that will apply toward your tuition bill is $10,141. Keep fees in mind if you are borrowing only to cover tuition and fees or another specific amount that is less than the COA.

Loan rates, terms and conditions, and step-by-step instructions on applying for federal financial aid using the FAFSA can be found at:

[http://www2.bus.umich.edu/MyiMpact/financial-aid/loans/federal](http://www2.bus.umich.edu/MyiMpact/financial-aid/loans/federal)

Private Loans

Private loans may offer favorable rates. Check out our information on private lenders:

http://www2.bus.umich.edu/MyiMpact/financial-aid/loans/private

Note that international students will need to provide a U.S. citizen or permanent resident co-signer.

Regardless of the loans you choose, you must be enrolled at least half-time to receive any loan and scholarship funds. Half-time enrollment for Day MBAs is four credit hours.

Budget Reevaluation—Increased Loan Funds

All students receive financial aid based on an estimated cost of attendance (COA). The COA includes tuition and fees, books and supplies, housing, and personal/miscellaneous expenses. Expenses for family members cannot be included. Sometimes the estimated COA does not realistically meet a student’s actual expenses. The budget reevaluation process assists in meeting these additional needs. Budget reevaluations are offered October 1 through March 15 and are for student expenses only. Documentation is required for each expense you submit, and it takes approximately two to three weeks to process. For additional information, please see:

We also welcome candidates who are currently working in the nonprofit and public sectors as part of our commitment to community and positive social impact.

Applicants are strongly encouraged to apply early in the recruiting cycle when scholarship funds and class seats are at their greatest. All scholarship awards are communicated with admissions decisions approximately four to six weeks after an application has been completed.

Michigan Ross thanks you for your service! In-state residency is offered to all who serve. Please reference our U.S. Veterans webpage for information on using your benefits at Ross:

http://www2.bus.umich.edu/MyiMpact/financial-aid/vets

EMBA students pay the same tuition payment (based on their cohort group) each of their five terms of enrollment at Ross. This EMBA tuition structure includes tuition, mandatory fees, lodging/residency cost, course materials, plus built-in program costs.

The Post-9/11 Education Benefits program, however, does not cover fees for lodging, travel, books and materials, and miscellaneous expenses. So, a portion of the EMBA tuition is not covered by Post-9/11 payments. Ross refers to these expenses as the non-academic costs of the program.

For further information, go to the Ross Financial Aid homepage in iM pact. Under “Program Information and Checklists, select your EMBA cohort group post 9/11 cost form.
